Get to know Dentist Dr. Timothy H. Moore, who serves patients in Columbus, Ohio.

New York City, Jan 15, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Specializing in high-level family dentistry with a personal, magic touch, Dr. Moore serves patients' dental needs at his private practice, Dr. Magic Smile, in Columbus, Ohio. He has been in practice since 1984, making smiles brighter with a fun mix of magic and dentistry.

"The magic has always been a side hobby that I picked up when I was about 10 years old. I've been lucky enough to rub elbows with some really talented magicians like David Blaine and David Copperfield. But big picture – it's just a fun little hobby that translates here and there to the office – in posters on the wall or in making some kids feel comfortable in the dentist office." as stated by Dr. Moore.

As a kid, he fell in love with dentistry because his father was a periodontist. He was very proud of him and loved what he was able to do for people. Wanting to follow in his footsteps, he earned his Doctor of Dental Surgery degree from the Ohio State University College of Dentistry. "I believe a smile we feel good about gives us confidence, and that our mouths are truly windows to our body. Our oral health intensely affects our overall health. If working hard on my craft can help you and your family feel good about where you're going and be more healthy as you go, then I'm the lucky one." as stated by Dr. Moore.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

Happily married, Dr. Moore cares about his family, including his wife and sons. He offers free dentistry to qualifying patients at the Vineyard Health Clinic each month and hosts a Vacation Bible School Tour with 104.9 the River for kids during the summer.
