

Trapitalist Brand Family is on the rise!!!

TBF Distro leads the way on their journey to the top.

Myrtle Beach, Jan 12, 2020 (IssueWire.com) - TBF Distro is a man on a mission. His mission is to put Myrtle Beach, SC on the music worlds map. He not only releases music which is heavily laced with homage paying bars for his beloved hometown, he also writes Short Story Collection book's, which you can find on Amazon Kindle and booksie.com, and designs clothes for the Trapitalist Brand Clothing and Accessories line, along with cover art and promotional graphics.

As a student at LA Film he studies Music Production and Recording and upon graduation will re-enroll for Film Production. He doesn't intend to shine in one particular field, he intends to shine in many areas of the entertainment world.

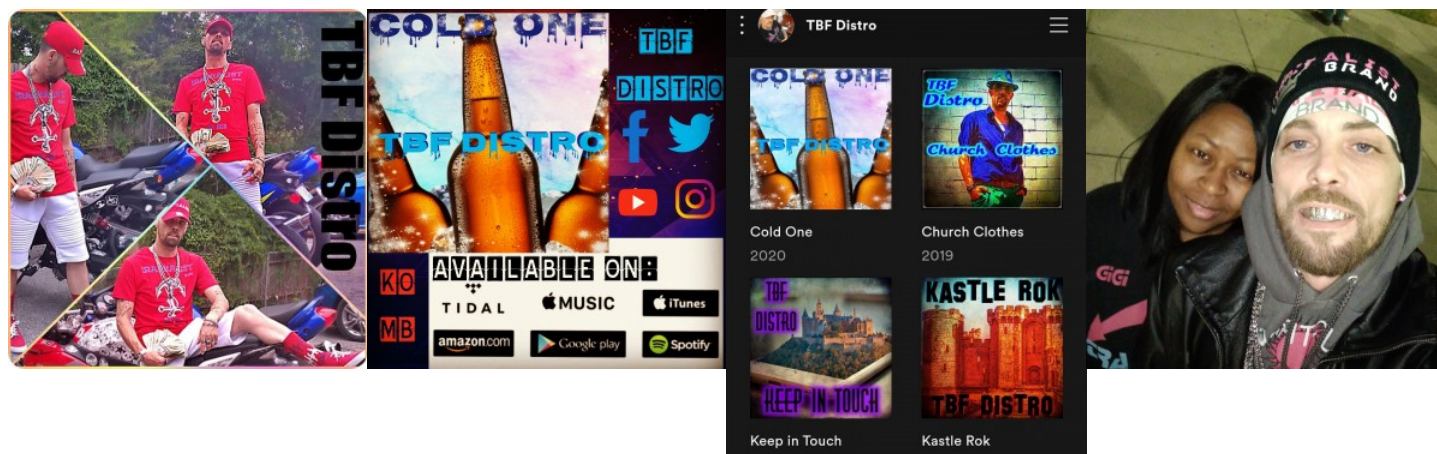

As a Rapper, he has released 6 songs from an upcoming album as a way to promote its release. The 6 singles already available on all major platforms have gotten over 300k streams in a span of 5 months. He is also nominated in 6 categories at the upcoming SCUMA Awards on February 9th, 2020.

Now is the time to hop on this bandwagon Ladies and Gentlemen, because the TBF is coming full steam in the form of a tidal wave ready to flood the streets at any moment!!!
