It's a different feeling of self-satisfaction, when you work in a 5star hotel, being a girl I always wanted to join a job which is safe and I say it with utmost faith that working in a 5-star hotel is one of the safest places to work because you are always under surveillance cameras. Soon after my training, I got an offer to work as House Keeping Supervisor. Thanks to UEI Global faculty members, who acted as my local guardian and helped me in every phase of my professional career.” Samdisha Sharma, Degree in HM, 2018, UEI Global Chandigarh.

From Pune institute, we were about 200 students who went to Delhi for the event. Our name was Pune Warriors and was giving the color of saffron. It was mesmerizing to see UEI Global students from all institutes in India coming together and celebrating. Through those 3 days, we were there cheering for our participants. My institute UEI Global Pune, like last year, as well won gold in the cultural dance competition with prize money of Rs 51,000.
