

Anameti N. Usoro, MD, Anesthesiology Specialist with Capitol Anesthesia Associates

Get to know Anesthesiology Specialist Dr. Anameti Usoro, who serves the population of Washington D.C, Maryland, and Virginia.

New York City, Feb 4, 2020 (Issuewire.com) - Board certified anesthesiologist, Dr. Anameti Usoro currently practices with Capitol Anesthesia Associates at ambulatory surgical centers around Maryland. Services include regional nerve blocks for pain management during and after surgery, as well as general anesthesia and sedation for a wide range of ambulatory surgeries. When you or your loved ones need surgery, you deserve the highest quality of care and the safest experience possible. Capitol Anesthesia Associates will provide quality anesthesia and will meticulously pay attention to every detail of your care. They believe in treating patients as they would their own family members. Your safety and well-being are their highest concern.

In regards to her education, Dr. Usoro graduated with her Bachelor of Science from the University of Michigan in 2009. There she gained a degree in Neuroscience and was part of the academic honor society Delta Epsilon Iota. Furthering her education, she earned her medical degree from the University of Michigan Medical School in 2013. She then completed her internal medicine internship with St. Johns Hospital and Medical Center in Detroit, Michigan, followed by her anesthesiology residency at Northwestern Memorial Hospital in Chicago, Illinois.

To stay up to date in her field, she is a member of the American Society of Anesthesiologists (ASA). At the ASA, they take pride in their dedication to raise and maintain the standards of the medical practice of anesthesiology to improve patient care. Additionally, she is certified in Anesthesiology by the American Board of Anesthesiology (ABA), whose mission is to advance the highest standards of the practice of anesthesiology. As the certifying body for anesthesiologists since 1938, the ABA is committed to partnering with physicians to advance lifelong learning and exceptional patient care. She is licensed to practice in Maryland and Virginia.

Anesthesiology is the practice of medicine dedicated to pain relief and total care of the surgical patient before, during, and after surgery. It encompasses anesthesia, intensive care medicine, critical emergency medicine and pain medicine.
