

Boxing Star's Fight Club Battle Grand Open

FourThirtyThree Inc. (4:33) today announced the grand opening of *Boxing Star's* highly anticipated 'Fight Club Battle' mode.

Seoul, Feb 14, 2020 (Issuewire.com) - Publisher and mobile game developer FourThirtyThree Inc. (4:33) today announced the grand opening of *Boxing Star's* highly anticipated 'Fight Club Battle' mode.

Players will now have the chance to face off against each other in 'Fight Club Battle' and battle to become the strongest Fight Club in the game!

The first preseason of 'Fight Club Battle' will conclude on February 24th. Once the Fight Club Leader registers their Fight Club to the 'Fight Club Battle', they will automatically be matched with other Fight Clubs that they will compete against. Once the battle begins, players will have a day to prepare for the fight. During the preparation period, players can upgrade their Fight Club Sponsor Levels with fellow Fight Club members to gain extra abilities that can be used only in this mode.

Alongside this new feature, *Boxing Star's* 'Sweet Chocolate Mission' was also announced today, with heaps of in-game items revealed as Rewards. Those who complete three daily in-game missions will be rewarded with a chocolate item, which players can exchange for Gym Points. Plus, players will get an additional bonus reward by participating in the event multiple times!

Boxing Star's new and returning players can also receive lots of love during this time, with daily rewards including Gold and Omega Boxes up for grabs. But those who are still looking for Omega Boxes will have more chances to get their hands on this coveted prize, since it will be given to players who achieved 10 Knockouts in Fight Club Battle!

Developed by 4:33, *Boxing Star* features an immersive story and interactive gameplay in which players fight through multiple tournaments. The gameplay is optimized for the mobile experience and offers simple touch, tap, and swipe controls.
