

Cricadium Announces Inclusion of New Category Focussing IPL 2020

The inclusion of IPL 2020 and football will further strengthen the audience engagement for Cricadium

Indore, Feb 6, 2020 (IssueWire.com) - Today Cricadium announced the addition of more categories focusing on the Indian Premier League 2020. Cricadium will be covering the whole [IPL](#) league in detail- from match previews and predictions to real-time updates. It will also bring some exclusive contents to the readers. Moreover, now Cricadium will bring content for football lovers all around the globe.

Cricadium is one of the highly-rated cricketing platforms that provide high-quality content all across the cricket world. It is one of the most loved websites by the cricket fans for its variety of contents that include the schedule of upcoming cricket matches, [cricket match prediction](#), match analysis, stats, scorecard, Live Cricket Score, latest cricket news, and cricket records.

Cricadium also gives special preference to the [Indian national cricket team](#) and puts the effort into disseminating updated information about the men in blue. The national cricket team contents also include India cricket team's latest cricket news, history, squad, schedule, records, and [live cricket score](#).

The already established brand in [cricket news](#), Cricadium will aim to capture the young readers and the T20 audience by introducing the new IPL 2020 specific category. The football-related content will also target avid football fans and bring everything happening in the football world.

The Publisher believes that these new categories [football prediction](#) and IPL 2020 will be able to attract more serious readers with the accurate and factual information of the website. The inclusion of IPL and football will further strengthen audience engagement and will make the platform more dynamic.

Their Media contact mentioned that - ***“We understand our followers. The new upgrades and inclusions are part of our constant efforts towards the mission of making Cricket a valuable resource for cricket lovers. We are confident that the Category will be well received and help Cricadium maintain its place in people’s hearts and minds as a true one-stop platform for all Cricket updates.”***
