Get to know Otolaryngologist Dr. Dennis A. Burachinsky, who serves patients in New Jersey.

New York City, Feb 7, 2020 (Issuewire.com) - Fluent in both English and Ukrainian, Dr Burachinsky is a board-certified otolaryngologist who attributes his success to his supportive family, good education, and great colleagues. In addition to holding privileges at Somerset Medical Center, he practices at ENT and Allergy Associates, LLP in Bridgewater Township, New Jersey.

The mission of ENT and Allergy Associates, LLP is “to deliver the best medical care to each and every one of our patients...with compassion, expertise, and respect.” The staff aims to accomplish this with physician leadership which establishes the highest moral and ethical standards dedicated to the delivery of exceptional patient care.

On the subject of his academic career, Dr Burachinsky graduated from Villanova University in 2002 with a degree in Mechanical Engineering. He then went on to earn his Doctor of Osteopathic Medicine degree from the Philadelphia College of Osteopathic Medicine. He completed both his internship in surgery and his residency in otolaryngology at St. Barnabas Medical Center in Livingston, New Jersey where he was Co-Chief Resident of the program.

The doctor’s training includes the treatment of adult and pediatric general ENT disorders, as well as facial plastic surgery with a special interest in functional endoscopic sinus surgery, endocrine surgery, snoring and sleep apnea surgery, and salivary gland surgery.

Among his various achievements, he is board-certified through the American Board of Otolaryngology, Head and Neck Surgery, which serves the public by ensuring that diplomates meet the standards of training, knowledge, and professionalism through initial and continuing certification. Additionally, he is a member of the American Osteopathic Association, the American Academy of Otolaryngology-Head and Neck Surgery, and the Ukrainian Medical Association of North America.

Otolaryngology is the oldest medical speciality in the United States. Otolaryngologists, also known as ear, nose, and throat doctors, specialize in disorders of the head and neck, ranging from hearing loss to cancer.

For his extensive expertise in his field, Dr Burachinsky has been recognized by the American Institute of Plastic Surgeons as one of the 2016 10 Best Plastic Surgeons for Client Satisfaction.
