

Don W. Long helps others to gain clarity on their Unique Blueprint and Purpose, while increasing their impact

God had a Dream and wrapped your body around it. You were Prewired for Greatness before you were born. Let the Journey begin!

Apex, Feb 24, 2020 ([Issuewire.com](https://www.issuewire.com)) - Don W. Long helps others to gain clarity on their Unique Blueprint and Purpose while increasing their impact to change the world around them.

Coming from humble beginnings, Don W. Long knows what it's like to start with almost nothing. Selling

everything from vacuum cleaners to Krispy Kreme donuts, Don knew what it meant to work hard but also looked for a way to fulfill himself and find the path he was meant to walk. As his sales experience grew, so did his businesses.

Don has since founded or co-founded 6 different companies and developed 100 million dollars in sales over those companies. He believes with a passion that his success was not purely attributed to a few brilliant business decisions, but that each of us is pre-wired for greatness through the Blueprint of God in each of us.

In his newly released book, titled *The Blueprint of God*, Don discusses the blueprint that connects you to your destiny. That we have been in many cases irresponsible with our own gifts and talents by continually playing it small by underestimating ourselves and the capabilities given to us by the Creator. Don leads readers on a journey of self-discovery. Discovery of identity, our own personal destinies, and the dreams He placed in us before we were born.

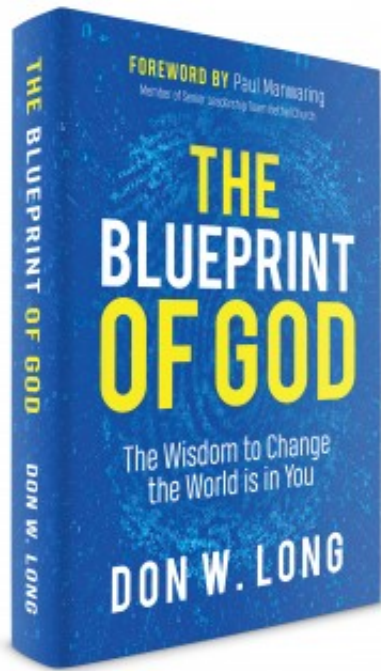

“What He put in you is tied to your destiny and your authenticity. You will be happiest when you are discovering and unpacking the dreams that resonate with your heart that cause you to come alive inside and out.” *An excerpt from The Blueprint of God.*

This wonderfully engaging book is a peek into Don’s insights, where he details the realization that we, as a society, have drifted away from our Godly heritage and foundations.

Don is also the author of the International Bestselling book *Sell or Don’t Eat: How Selling From the Soul Will Keep Food On The Table* and offers an online course called *Selling from the Soul*. He has been married to the love of his life, Cindy, for 38 years and has two beautiful daughters Ashton and Jordan. He currently resides in Raleigh, North Carolina.
