

Ford Corl intensifies the atmosphere with his latest tracks

The sheer creative brilliance of Ford Corl can be well-observed in his recent releases 'Make Me' and 'Day Goes On'. This is certainly indie rock at its purest form.

Reno, Dec 31, 1969 ([Issuewire.com](http://www.Issuewire.com)) - **Ford Corl** is a powerful artist, armed with the strength of captivating the audience with superb lyricism, mesmerizing instrumentation, and engaging rhythmic musicality. Through his musicianship, he has let the souls of the audience escape from the real world and wanders around in the heaven of fascinating musicality and creative brilliance. He is the kind of music artist who will take your breath away from the moment of pressing the play button of his tracks. Portrayed through intensity and passion, his tracks will make you feel the core of the structures, and bind you within these.

His track '[Make Me](#)' is a great example of the above-mentioned facts. The swagger and passion with which the track has been performed are just breathtaking. His confidence is what has driven the track and there is something strange yet gorgeous about the track that will make you listen to it over and over. Filled with beautifully placed ingredients, this track is bliss for the fans of the artist and the genre of indie rock.

Another track of his that earned huge fame is '[Day Goes On](#)'. Pivoting the uncertainties of life, this track showcases the reality of the world in a musical way. The instrumentation is just brilliant and the performance of **Ford Corl** is as enthralling as it can get. The elevating sound will fill the heart with emotive elements of harmonically-rich sound, backed up by a heart-thumping soundscape. You can listen to more from the artist on Spotify and SoundCloud.
