In today's modern, fast-paced world, women are tired, stressed and often times experiencing sub-optimal health. As physicians, we owe it to our patients to understand today's modern health challenges and do a better job of helping our patients find answers and solutions. Dr. Pezzullo-Burgs provides this type of individualized, comprehensive and compassionate care, which is often lacking in today's medical practices. She accomplishes this by following a multidisciplinary approach, leveraged by the latest testing and by collaborating with like-minded healthcare providers in our community in order to provide her patients with the finest medical care.

A native of Connecticut, she moved to Florida in 1978 and accepted a position as Hospital Pharmacist and eventually Assistant Director of Pharmacy at what is now Memorial Hospital Pembroke. She received her medical degree from the University of Miami in 1983. Upon graduation, she completed her residency in Obstetrics and Gynecology at Jackson Memorial Hospital in Miami, Florida. Dr. Gail began practicing in Pembroke Pines, Florida, in 1987 and later opened offices in Sunrise and Plantation. In 2004, she expanded into Palm Beach County with an office in Boca Raton, Florida. She currently has two offices-one in Boca Raton and one in Weston. Dr. Gail has received extensive training in complementary and integrative medicine as well as aesthetic medicine.

Dr. Gail also has a thriving aesthetics and wellness practice that incorporates hormone replacement and holistic treatments. She performs a number of aesthetic procedures, from laser hair removal to Botox injections and offers numerous advanced skincare services.
