

Heavenly Palace: Your #1 Choice of Premium Senior Citizen Homes in India

Heavenly Palace has its own place when it comes to the selection of Senior Citizen Homes In India.

Ludhiana, Feb 7, 2020 (Issuewire.com) - If you have been obsessed with the picture of an old age home in India to be just a place to spend the years, you need an update. Some places offer unique facilities for the elderly to live in and make life cheerful and worth living. They celebrate the festivals to keep the desire of living and keep the elderly cheerful.

Among these, **Heavenly Palace** has its own place when it comes to the selection of [Senior Citizen Homes In India](#). Various accommodation facilities including accommodation, normal, and studio rooms along with suites for the residents. All the more, the greenery all around makes the place a calm, pleasant and mesmerizing place to live in. But this is just the starting of the facilities available here as there are many more features to check.

One of these is that the residents also have eldercare professionals for taking care of the parents. Additionally, there are services of assisted living professionals to make life easier for the residents. To cheer all those living in **Heavenly Palace**, every festival or a special like birthday, Mother and Father's day are celebrated. One can also find fine entertainment options in the recreation rooms including games like table-tennis, chess, carom and more.

In addition to this, if the elderly are spiritually inclined, they can attend the seminars conducted regularly in the auditorium. An individual also finds like-minded people to interact and make friends with. This

makes the place worthwhile living and make new friends in the silver phase of their life and find a way to happiness, smile, and enjoyment. Along with this, it is a secured compound with both physical and electronic surveillance deployed to ensure the safety of the elderly.

An NRI resident can also have the facility of video conferencing with the family to stay connected. Additionally, various dishes from various corners of the country are prepared and served at **Heavenly Palace**. This allows them to satiate the tongue but yes, according to the dietary measures prescribed by the doctors. All this compiled together makes it one of the best **Senior Citizen Homes in India**.
