

Instigate your horror sense with ‘The Black Sea of Roses: A Novel (Book 1)’ by Vanessa M. Chattman

THE BLACK SEA OF ROSES

A NOVEL IN THREE PARTS

VANESSA M. CHATTMAN

Texas, Feb 12, 2020 (IssueWire.com) - Fictional horror stories have always been an integral part of the mainstream cinema, as the makers have been able to entice the horrifying senses of the audience through camera work and background score. However, not many people have been able to savor the taste of similar kinds of feelings through a book. Well, there have always been some exceptions, and one of those exceptional **horror** books is now available on Amazon for you to purchase, published on 17th October 2019, '**The Black Sea of Roses: A Novel (Book 1)**', written by the renowned author **Vanessa M. Chattman**.

The storyline of this breathtaking **fiction** pivots a couple, set up in the backyard of a dark, haunting, and ghastly forest. The couple is wondering through a secreted passageway inside a cabin; this is not a regular cabin, a heinous history is attached to it. Considered as a historical landmark, this cabin belonged to a family of members with darkness in their hearts. On passing through the passageway, the couple experience horrifying paranormal activities, leading to a nail-biting and edge of the seat climax. '**The Black Sea of Roses: A Novel (Book 1)**' has received tremendous response from the critics and the readers. So, go grab your first copy from Amazon and unveil the secrets of the Black Sea of Roses.
