Surat, Feb 21, 2020 (Issuewire.com) - Surat is the fastest growing city in India. This is a city full of food lovers. Many new food joints and restaurants have opened in the last couple of years. The biggest challenge all these food joints are facing is cut-throat competition. Every business is looking to increase footfalls at its venue and they are taking the help of Social Media. Last week, a new ice cream joint - The Creamery - opened at Pal Adajan area of Surat.

iVIPANAN Digital Marketing Services wins the Digital Marketing mandate for The Creamery. The Creamery is an initiative of Tajmahal Ice cream. Tajmahal has more than 100 years of experience in hand made ice cream making. The Creamery shop is now open in the Pal-Adajan area of Surat. It's a partnership outlet between Tajmahal and Scoop Hospitality. The owner of Scoop hospitality, Mr.Divyesh Kania is very excited about this opportunity. He said "Out of many ice cream companies in Surat, The Creamery is one of the best. They have a legacy of 100 years and the traditional taste and method of making ice cream fascinated me. I hope people of Surat are going to love this outlet of The Creamery".

Bhautik Sheth, the founder of iVIPANAN said "We are working with another company of Mr.Divyesh Kania - KSD Hospitality - for 2 years now and we have come out with some wonderful results with Social Media Marketing. We are equally excited about his new venture and we are confident that the taste and the quality of the ice creams of The Creamery will make customers happy."

It is notable that iVIPANAN is already working with brands like Vastu Dairy, La Pino's Pizza, K for Kids, Shamal Designs and many more
