

Juliana B Adds a Twist to the Repetitive Storytelling Culture with her Strong Voice in ‘Set Me Free’

Juliana B embraces her latest song danceable song ‘Set Me Free’ with all sorts of enjoyable and exciting melodies that compels them to hit the dance floor.

San Francisco, Feb 28, 2020 (Issuewire.com) - American singer/ songwriter [Juliana B](#) is most known for her highly danceable compositions of pop dance music and sultry vocals that get the party started! The singer has a unique vocal style that makes it hard to compare her to other artists but seems to draw inspiration from Sia, Robyn, Lucinda Williams to name a few. The combination of these styles

makes for tracks that are always unexpected and thoroughly enjoyable. The artist effectively adds sharp edges to her songs with her clear and dominant vocals so that the lyrics stand out exposing an often humorous and relatable commentary on life.

'[Set Me Free](#)' is the latest project delivered by the singer which seems to be a surprising break from **Juliana B**'s usual Pop, Dance EDM soundscapes. Set Me Free is a feel-good disco anthem that talks about freeing oneself from the negativity of others. The way the singer molds her voice throughout the song is purely magical and the retro disco arrangement compels the listener to the dance floor.

Set Me Free showcases some very strong songwriting and story telling ability. It highlights her spirited personality and the music more than lives up to the promises which Juliana B has been conveying with her previous releases. So check out Juliana B's '[Set Me Free](#)' on Spotify! It does not disappoint! Also, follow the singer on [Facebook](#) for more information about her upcoming projects.
