

Kansas Overseas Careers announces New Visa Processing Center

Get better services at bigger place - enjoy customized assistance from each department

Hyderabad, Feb 25, 2020 (IssueWire.com) - Kansas Overseas Careers takes pride in announcing its new visa processing center with an aim to enhance its visa process services. Having been a pioneer in the immigration sector for years, Kansas always strives to improve its operations from time to time. This year, the introduction of a new office is to ease the communication between the visa case officers and clients, along with several added advantages.

The visa processing center in Hyderabad has been a primary demand of both staffs and our esteemed clients. With the establishment of this process center, you can expect improved services, smoother flow of operations and much importantly, undisturbed conversations with your case officer.

Also, the new process center will help you in the following ways:

- **Enhanced Customer Experience:** We always believe in direct communications. For this reason, we follow a service pattern wherein clients can directly communicate with their case officers, discuss their process concerns, seek updates and talk about all aspects concerning their visa process. A new process center will make this communication smoother as clients can visit the case officer in-person and carry uninterrupted conversations.
- **Confidentiality and Data Security:** We always secure the information that you provide to us for your visa process. In order to enhance the protocols of data security in combination with the latest technology, a new branch was most needed.
- **More Manpower:** We expand our services and horizons from time to time. We want every one of our clients to enjoy the most benefits in the least investment. Therefore, to guide you in all aspects of immigration the right way, qualified staff who is best to handle respective services is important. With the establishment of a new branch, we aim to increase the manpower (process team) to two times more of the existing.
- **Timely Deliverables:** We offer extensive services along with the visa process. To ensure that all of our deliverables of each service are delivered to you within time, a service delivery team is in-charge. This team ensures you receive all deliverables after a 3 stage monitoring.
- **All under 1 roof:** We aim to be a one-stop destination for all your immigration needs. So, at our new process office, you will not only experience an improved visa processing service but also a variety of services that will smooth your immigration journey. From preparing for IELTS by the help of trusted resources to getting help in searching for a job abroad, we have departments that connect to you and assist you in all spheres.
