

Koenig Solutions Launches their Training Operations in Australia

Sydney, Feb 10, 2020 ([IssueWire.com](https://www.issuewire.com)) - **Koenig Solutions Pvt Ltd.**, a leading IT Training provider, has opened training facilities in **Sydney, Australia**.

Koenig's new center is located in **Pymont, Sydney near Central Business District**. This is Koenig's third international center after Dubai and London.

Speaking on the occasion, Koenig CEO, Rohit Aggarwal says *"Every day we read about the accelerating need for skilling. At Koenig we also feel the need. We are happy to expand into the Australian ecosystem and provide our expertise to help more people skill up to meet the demands of the IT industry."*

Koenig is not new to Australia, over the past 5 years, Koenig has trained over 4,000 plus Australian citizens via on-premise and live online delivery methodologies. These training programs have been delivered for [Microsoft](#), [Oracle](#), [VMware](#), [Red Hat](#), [Salesforce](#). The new center will help cater to clients that want classroom training in Australia.

Koenig has emerged as the world's leading IT Training company on the strength of 200+ in-house trainers and AI-enabled automation. Koenig provides training on all popular courses certified by [Microsoft](#), [Oracle](#), [AWS](#), [Cisco](#), [VMware](#), [EC-Council](#) and all other major vendors.
