

MacNTosh Displays his Creativity in the Most Unique of Ways and Excites Everyone with his Rap Skills

Chicago rap artist MacNTosh makes a stunning introduction of his artistry and creativity in the music scene with the release of two uniquely blend hip-hop tracks.

Chicago, Feb 18, 2020 ([Issuewire.com](https://www.issuewire.com)) - **MacNTosh** is hip-hop's most tantalizing and inscrutable rappers who has made his creations count in the genre successfully. The artist offers a direct commentary on his latest projects that clearly dictates his string command on the genre. On his latest sound tracks the [Chicago rap artist](#) has completely dedicated himself to bringing back that immediately smooth and appealing element to the hip-hop music. His quietly confident vocal style, engaging rhythms, and varied flows makes the sound tracks extremely catchy. The artist lets down his guard such that his voice can wander freely over the verses to push forward his boundary.

MacNTosh has an unapologetic attitude and a bold way of delivering the words, that makes his latest sounds '[True Colors - MacNTosh\(Prod. Yondo\)\(Eng. UTK\)\(Cover Art. Vision Designs\)](#)' and '**Right Direction - MacNTosh(Prod. Lebanon)(Eng. UTK)(Art Cover: Vision Designs)**' add another feather to the artists superb musicality. With enough clarity the artist delivers the verses such that the meaning of the sings can come out easily. His effortless way of blending the most profound musical notes in the rap genre makes his creations so appealing. The rapper leans towards his technical and vocal skill, while also deeply caring about his craft and the way it sounds to impress the audience.

Coming from the United States, **MacNTosh** aims to change the world of rap music with his creativity such that he can influence the masses with his striking artistry. He is a conscious rap artist from the Chicago whose rap music is influenced by some big names like Kendrick Lamar, 2 pac, j cole, Andre 3000, Chance the rapper, J.I.D, Lupe fiasco, and others. Both the songs '**True Colors - MacNTosh(Prod. Yondo)(Eng. UTK)(Cover Art. Vision Designs)**' and '[Right Direction -](#)

[MacNTosh\(Prod. Lebanon\)\(Eng. UTK\)\(Art Cover: Vision Designs\)](#)' works wonderfully to build up his reputation in the industry and are now available on Soundcloud for full listen. Also, follow the rapper on [Instagram](#) for more information.
