

Mohammad Tiregar New movie "Being A Star"

San Francisco, Feb 9, 2020 (IssueWire.com) - Mohammad Tiregar by the name of Henry Iranian Celebrity (born December 28, 2000, in Bahnemir) is an Iranian Actor and Director.

At age 15, he started acting with theater. He studied computer in high school. Mohammad Tiregar is the first son of a family and has a younger brother than himself. He hated theater from theater and said that the theater does not appeal to me. He was most interested in technical jobs such as electricity, electronics, computer hardware repairs, computer repairs during his secondary school. He trained computer repairs for 2 years. He then became familiar with the editing profession. Introduced in the editing and assembly of films Became For a short time, Adobe's famous programs, including After effect and Premiere, were trained in the field and created a scene of visual effects. He became known on [Instagram](#) with the videos he created, and currently has more than 400K followers. During high school, the acting career entered the arena of the cinema.

"Being A Star" is the name of my first movie, a comedy-action genre film by iranian director Mostafa Hashemzahi
