

Registered Nurse Patty Byrd Welch, RN Provides Care for the Pearl, Mississippi Area

Get to know Registered Nurse Patty Byrd Welch.

New York City, Feb 21, 2020 (IssueWire.com) - Patty is a registered nurse with expertise in ER nursing. She currently provides care for the community of Pearl, Mississippi. ER nurses treat patients who are suffering from trauma, injury or severe medical conditions and require urgent treatment. Since these specialists work in crisis situations, they must be able to quickly identify the best way to stabilize patients and minimize pain.

In regards to her education, she graduated with her nursing degree from the University of Mississippi. To stay up to date in her field, she remains a professional member of the Emergency Nurses Association (ENA). The ENA is the American professional organization that represents emergency nursing. Consisting of 40,000 members, ENA examines issues relevant to emergency care, publishes professional guidelines, and issues a peer-reviewed journal.

The main role of a registered nurse is to assist physicians in providing treatment to patients suffering from various medical conditions. They must also stay up-to-date with new tools and technology to help provide the best care to patients and families, and the best support to doctors and other healthcare professionals. Registered nurses must possess excellent communication, emotional intelligence, teamwork, problem-solving and critical-thinking skills.
