Tarps Now Expands Capacity Supporting Manufacture and Rapid On-Site Deliveries of Heavy Duty Tarps

Strong Demand for Heavy Duty Tarps and Coverings Prompts Continuing Investments in Technology

Benton Harbor, Feb 18, 2020 (Issuewire.com) - **Tarps Now®** is pleased to announce improvements in the technology utilized to accept, process and fabricate orders of **Heavy Duty Tarps** sought by an ever-increasing number industrial customers, as well as large scale **EPC** contractors utilizing large quantities of industrial grade tarps, coverings, concrete curing blankets, and other custom applications. **Custom Orders** are processed electronically on an immediate basis after being received on the company's secure website. Order information and product specifications are routed and processed on a same-day basis, with operating efficiencies resulting in one of the industry's best records for delivering high quality, heavy-duty tarps and coverings, both on time and on-schedule.

Complimenting the technologies used that helps customers rapidly establish the design specifications needed for custom made tarps and coverings, the company also supplements these needs with a wide range of stock sized industrial grade heavy-duty tarps and industrial coverings in a variety of sizes, fabric grades, colors, weights, and other specifications.

Tarps Now® tarps and covers are widely known to meet stringent specifications often required by the military, non-profit organizations, governmental agencies, municipalities, industrial concerns, small businesses and consumers specific to traditional canvas tarps. The company operates on the cutting edge of technology, with a management team having decades of experience in the field of industrial fabrics.
