

The Event Industry's Leading Service Provider

Western Cape, Feb 27, 2020 (IssueWire.com) - [Next Dimension Entertainment](#) has taken the event industry by storm. They are an event solutions company that provides the industry with an amalgamation of services. While they specialise in wedding and event infrastructure, they are also able to provide clients with the necessary services for a wide variety of events, such as corporate events, birthdays, product launches, cocktail affairs, gala and awards ceremonies, mini-festivals and several other special occasions.

The company is essentially a one-stop-shop for all your event and entertainment requirements. Next Dimension Entertainment has made hosting and planning an event a far simpler task. Instead of having to contract several different service providers and contractors, they do it all for you. Not only this but as a result of their partnerships with several different event's companies, they are able to offer you the most comprehensive events packages at the most competitive prices.

Some of the services on offer include:

1. Technical Support:

In terms of the technical support, Next Dimension Entertainment can do everything from sound and lighting to snow and smoke machines. With over 17 years of experience in high-end sound systems and lighting, they understand the importance of top-quality systems. The sound systems they utilise are manufactured in Europe and undergo strict quality checks before being shipped off. Therefore, you can rest assured that the products you hire are of exceptional quality.

2. Infrastructures:

Next Dimension Entertainment has also partnered with Stretch Inc and Igloo Events to provide clients with an array of infrastructures. If you're looking to host an outdoor event and require some form of coverage, you can opt for either a Bedouin tent or Arctic Disco Igloo. The company has also sourced event furniture at highly competitive prices.

3. Entertainment and Refreshments:

Finally, if you require entertainment at your events, such as DJs, bands or magicians, they can organise that for you too. Not only this, but they also offer catering and bar services.

If you are interested in hiring Next Dimension Entertainment for your next event or would like to learn more about the services and products they have on offer, visit their official website at <https://nextdimension.capetown/>

About the Company:

Next Dimension Entertainment is the event industry's leading service provider, offering clients an amalgamation of services. The company has over 6 years of experience in the industry, as well as having assisted with over 400 weddings and 350 other events. Next Dimension Entertainment strives to offer clients the newest ideas, productions and event solutions for their events.
