

## Warplex Surfaces with Three Most Crowd Gathering Electric Music that Shows off his Striking Musicality

Warplex works his way into the listener's head with his recently composed club banging music that completely lets the audience groove with its exciting melodies.

**Milan, Dec 31, 1969 (Issuewire.com)** - **Warplex** creates a successful blend of electronic and dance sounds on his latest releases. The Italy native well balances streamlined EDM sounds with a hint of mayhem, and matches its ambitious themes and concepts with high energy music. On his latest tracks, the artist has offered some fully danceable sonic material with crystalline and exciting melodies that makes the songs extremely likable. All the songs move over a melodic synth texture and flow engagingly over a steady, striking electronic base to excite the listeners with its uplifting soundscape.

The adrenaline rushes throughout the body whenever the tracks '**Break the Wall - Radio Edit**', '**Work It Out - Radio Edit**', and '**Fun(K)Damental Vibes - Radio Edit**' reaches the eardrums and establishes itself with its melodious and upbeat tunes. There's a skillful playing of the instrumentals' that has been well instructed with a professional production to create something of a banger. The songs have been characterized by powerful bass combined with an endless groove. The rhythmicity with which the tracks flow infused with a faint vocal at bits accentuates the entire flavor of the tracks and drives the audience into a thrilling mood.

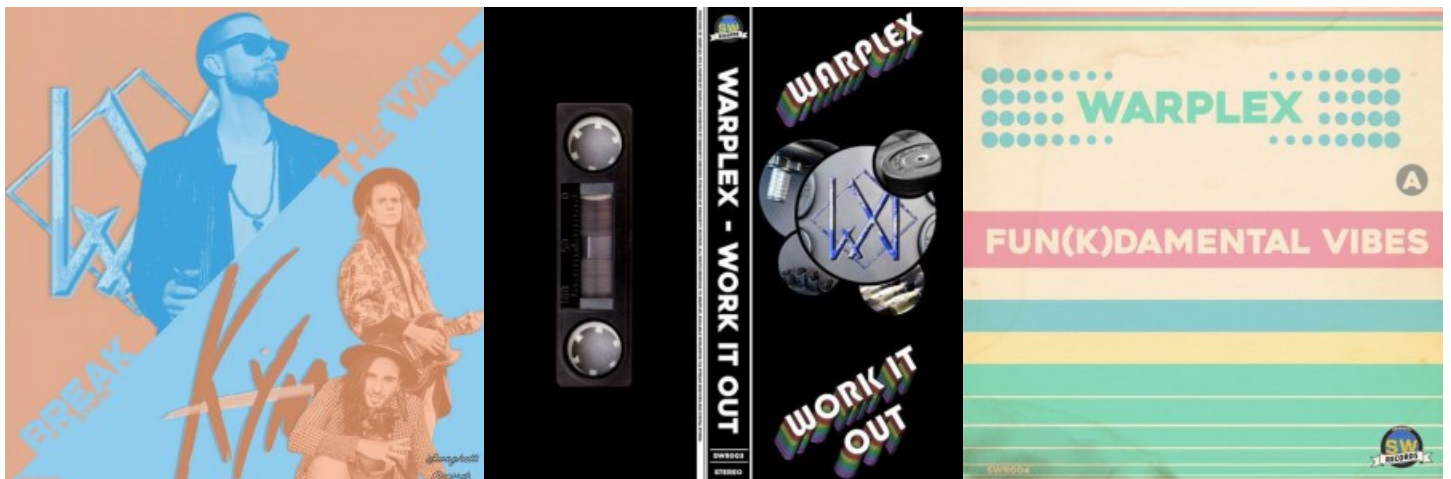

**Warplex** has always considered music as a way to express himself and his latest songs '**Break the Wall - Radio Edit**', '**Work It Out - Radio Edit**', and '**Fun(K)Damental Vibes - Radio Edit**' gives a true vision of the artists ecstatic, shapeshifting, and remarkably melodic engaging ability. Built under the label Swaghetto Records, the songs are now available on [Spotify](#) for full listen. Follow the artist on [Facebook](#), [Instagram](#), and [Twitter](#) for more information.
