

A+ Family Urgent Care of South Tampa has been Certified by the Urgent Care Association of America (UCAO)

A+ Family Urgent Care, located in Tampa Florida, has received the Certified Urgent Care designation which distinguishes it as a true urgent care center and has met all of the Urgent Care Association of America's established criteria.

Tampa, Mar 11, 2020 ([Issuewire.com](http://www.Issuewire.com)) - The health care environment is changing, and it's more important than ever that patients understand their range of treatment options.

Urgent care is a convenient, viable option for medical conditions that cannot wait for a scheduled appointment with a primary care physician. [South Tampa A+ Family Urgent Care](#) accepts unscheduled [walk-in patients](#) during all hours of operation and provides patients extended-hour medical attention with licensed providers for a large scope of [medical conditions](#).

When a medical condition can't be handled by a patient's regular doctor – such as accidental cuts, burns, sprains or fractures that are not serious enough to require an emergency room visit. Urgent care fills the gap between primary care and hospital emergency rooms, offering increased convenience and cost savings.

With its certification, [A+ Family Urgent Care](#) and the Urgent Care Association of America demonstrate their commitment toward providing patients with access to appropriate levels of care.

A+ Family Urgent Care is equipped with an x-ray machine, laboratory services, and an on-site pharmacy. A licensed provider is always available to perform minor procedures like casting and suturing. We specialize in treating conditions such as colds and other illness, earaches and infections, aches and pains, broken bones, cuts and wounds and auto accidents with in-house services including lab work, workers compensation, school sports physicals, DMV/work physicals, and [flu shots](#).
