

Air Dynamics Mechanical Announces Expanding Air Conditioning Repair and Installation Services

Air Dynamics Mechanical is expanding Air Conditioning Repair and Installation Services into the Rockport/Fulton Area

Rockport, Mar 26, 2020 ([IssueWire.com](https://www.issuewire.com)) - "Air Dynamics is excited to announce that we are expanding our air conditioning repair and installation services into the Rockport/Fulton area," said Anthony Ruiz, Air Dynamics' owner.

Air Dynamics Mechanical brings decades of experience performing repair and installation of Air Conditioning and Heating Systems to the Rockport/Fulton area.

Air Dynamics will be working along with the Rockport/Fulton Chamber of Commerce to bring true value to the entire region.

Air Dynamics has successfully complied with the strict regulations associated with assisted living, nursing/rehabilitation, and long term care facilities and will, therefore, be a welcome addition to the community for these organizations responsible for the health and welfare of some of our most vulnerable citizens.

The San Antonio, TX based company has the expertise and manpower to care for the unique challenges of the Seacoast Area of the Texas Gulf Coast.

COVID-19 UPDATE

The Air Conditioning Contractors of America (ACCA), said in a news release dated March 17, 2020, "The Air Conditioning Contractors of America announces its urgency to push Congress and President Trump to expand support for HVACR contractors and treat HVACR contractors as essential service providers. ACCA is serving on the U.S. Chamber of Commerce Task Force on Coronavirus Response and has helped craft recommendations for the federal government's response to this global pandemic." (<https://www.acca.org/news/release/acca-fights-for-contractors-ccoronavirus>)

Air Dynamics is proud to be on the front line and considered an "essential service provider" during the current COVID-19 crisis. Their qualified field force can assess HVAC systems in the Rockport/Fulton area and recommend appropriate Indoor Air Quality (IAQ) solutions.
