

Announcement of two Animation videos of SuiteCRM plugins

Outright Plugins: Email to Lead & Twilio Auto Dialers

Indianapolis, Mar 16, 2020 (Issuewire.com) - We are pleased to announce that the Outright Store has successfully built up its advanced extensions, and we have shared their animation videos for you all. The names of both the extensions were: Twilio Auto Dialer and Email to Lead. The date of the launch of [Twilio Auto Dialer animation video](#) is 5th March 2020 whereas [Email to Lead animation video](#) date is 12th March 2020. Get a seamless experience while watching both videos where it conveys a message that how essential it is for your day to day business work. Firstly, if we talk about the extension which

can maintain your communication level stronger than Twilio Auto Dialer is the holistic method for you which has a speciality of managing multiple phones at a single time. Moreover, it entails saving the entire records of your customers. Big deal! Generating leads with an email is now going to happen by going straight to Email to Lead extension as we have built up an animation video just because to guide you that how it plays a key role in your day-to-day work. Mapping of fields is possible here and yes, it assigns your task to your team members. The cost of Twilio Auto Dialer would be \$499 and moving to the Email to a Lead extension where it may cost you \$399. We are also launching a new animation video of our extension called Data Backup Restoration today.

“Extensions: At the Heart of every CRM Business”
