

Beyond Key Is Now Certified as a 'Great Place to Work'

Indore, Mar 20, 2020 (Issuewire.com) - Beyond Key, a world-class software services and solutions provider received the Great Place to Work® Certification.

As Beyond Key CEO Piyush Goel stated, “From putting in the extra effort to ensure every client receives the best service possible, to all the team members who use our core set of values as a central pillar to their daily lives, thank you.”

Piyush further mentioned, “We know when you bring great people together, great things happen. Our belief in our team is evident in how long they stay with us. Some of the first employees we hired 15 years ago at Beyond Key are still part of our organization.”

Because you have so many long-term employees at Beyond Key, they have had the opportunity to develop a set of core values such as Honesty & Integrity, Client Delight, Consultant Approach, Team Player, and Innovation & Creativity that are strictly followed. To be recognized for these values by the Great Place to Work® Institute is a great honor.

This was not an easy process. Certification received over 70% of Beyond Key employees to rank our organization as a great place to work. The Great Place to Work® Institute gave us this honor as a Mid-Size Organization with 100-500 employees. The designation is valid from March 2020 until February 2021.

For Beyond Key, the purpose of running the company has been, ‘Happy Team Members, Happy Clients’. Using this as a vision, every team member made this culture possible together. They are the ones who deserve this award because they should be recognized for their contribution to this organization.

As Beyond Key looks to the future, they want to extend their family. In 2020, Beyond Key plans to add 50 plus new employees. The ability to grow and continue finding quality team members is a testament to why the company received the Great Place to Work ® Certification.

About Great Place to Work® Institute: Great Place to Work® is the global authority on building, sustaining and recognizing High-Trust, High-Performance Culture at workplaces. We have crafted our perspective by learning from great leaders, surveying millions of employees, and examining thousands of the best workplaces around the globe.
