

Blue Whale Apps Listed Among Top App Developers in 2020 by Clutch

Herndon, Mar 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Blue Whale Apps, a leading mobile and web development company in the USA, has been listed among [Top App Developers](#) by Clutch in its 2020 report.

Clutch is a B2B research and review firm that specializes in listing companies based on a specific service into different categories. It then collects reviews and feedback from the clients of these

companies to release an annual report, identifying the top companies and industry leaders in a specific category. The report allows prospective clients to find and connect with these top-tier companies to serve their specific requirements.

On 2nd March 2020, Clutch released its annual report featuring top app developers in major categories for different locations. [Blue Whale Apps](#) has been listed among top app developers in the following categories:

- Top React Native Development Companies
- Top Wearable App Developers
- Top Flutter Developers
- Top Ruby on Rails Developers
- Top CRM & Sales Enablement App Developers
- Top E-Commerce App Developers
- Top Web Development Companies

“We are thrilled to have been recognized by Clutch among Top App Developers in 2020 for the USA region. This is the fifth consecutive year that we have received this award, and we can't thank our clients enough for reviewing us on Clutch with high ratings. This inclusion really motivates us to go the extra mile in serving the development needs of our clients.”, - **Pathik Jayani, CEO, Blue Whale Apps Inc.**

Apart from being listed among top mobile application developers, Blue Whale Apps has been also listed on the sister sites of Clutch, Manifest and Visual Objects among [Top 39 App Development Companies in Miami](#) and [Best Mobile App Development Companies](#) list respectively.

Talking about the recent release of Clutch Top App Developers report, Mike Beares, The Founder of Clutch said - “These companies stand out because of the positive feedback their clients shared with the Clutch team. The quality of their verified reviews shows that these companies know how to deliver exceptional work to their clients, “As more companies highlight their leadership in the industry and build their online reputation through third-party reviews, I hope the process of finding the right service provider becomes easier for business decision-makers.”
