

## Brushwood Media Group Announces Production of “DR. SARA...Beyond The Truth!”

New Weekly TV Show featuring Dr. Sara Malagold will be thought provoking, and exposing the truth on today's issues.

**New York City, Mar 26, 2020 ([Issuewire.com](http://Issuewire.com))** - Brushwood Media Group announced their new hit tv show, “**DR. SARA...Beyond The Truth**” is scheduled for production this summer, providing current pandemic crisis has subsided. Several networks have shown interest for their fall lineup.

In each episode, Dr. Sara will address current topics that the audience can relate to, and provide answers, that often times, are not stated by the media. Dr. Sara will always go beyond the truth to give the public the facts. The show will feature celebrities, along with high profile people making headlines.

Dr. Sara Malagold is a multi-cultural multi-language speaker, helping people all over the world, to achieve knowledge, new techniques, and hope, to cope and resolve their painful psychological problems, from an integrative point of view.

Dr. Sara entertains, educates, and encourages people from all cultures and ages, through laugh and sob, astonishment and joy, to find answers to their long-lasting unresolved conflicts. She inspires and

enables people to find her forgotten or unknown worth, by discovering and/or reinforcing their self-esteem. She uses commonly used wrong, negative thoughts and converts them into positive ones, to help couples, parents, adolescent and others, to develop and maintain a positive attitude, built confidence and faith and become secure and proactive people.

Dr. Sara is unique in her field as she uses personal baggage, academic background, and professional experience, to give people a complete and integrative answer to their suffering.
