

Chase Roofing & Contracting For The Win!

Chase Roofing Wins The Highly Prized Owens Corning Pinnacle Community Award

Fort Lauderdale, Apr 1, 2020 (Issuewire.com) - This year's 15th annual Platinum Conference was a huge success for Chase Roofing with highly anticipated wins for not only The Product Excellence Award, but Tamara Chase, CEO of Chase Roofing & Contracting, was awarded the once in a lifetime honor, receiving The Owens Corning Pinnacle Community Award. Platinum Preferred Contractors are the highest level of contractors Owens Corning offers with only 1% of roofing contractors qualifying for this status. Platinum Contractors help home and business owners understand the benefit of a

complete Owens Corning roofing system to protect their home and are able to offer a lifetime warranty on both material and labor. Chase Roofing takes great pride in providing professional, award-winning, and reliable roof installation and roof repair in South Florida without participating in the destruction of the local environment.

MARCO ISLAND, FLORIDA MARCH 2020- Chase Roofing is thrilled to announce that they have been recognized as an Owens Corning Roofing Platinum Preferred Contractor at the recent Platinum Conference. Every year Owens Corning Roofing presents the best roofing companies with several awards including the two platinum awards won by Chase Roofing for 2020. Chase Roofing won the prestigious Pinnacle Community Award for their dedication to choices that make the world a better place, highlighting community involvement. This award is only presented to a company once in a lifetime and demonstrates how Chase Roofing's morals to assist their community aligns with Owens Corning's vision of an unwavering commitment to delivering solutions, transforming markets and enhancing lives. Chase Roofing also won the Product Excellence Award again this year for the best overall System Selling performance helping home and business owners understand the benefit of a complete Owens Corning roofing system to protect their home.
