Atlanta, Mar 5, 2020 (Issuewire.com) - Fantasy Author L.H. Leonard Releases New Epic Fantasy - Path of the Spirit Runner

Author L.H. Leonard is pleased to announce the release of the second installment in her Rootstock Saga series, Path of the Spirit Runner. Released by Each Voice Publishing on February 29, 2020, the book is already receiving rave reviews from readers and reviewers. Book one, Legend of the Storm Hawks was released in January 2020.

Gifted or cursed? Isobel is a healer, and the Hawks who accepted her, broken and different as she was, need her help. But she must hide the truth behind her healing power. She is an empath.

John Deighton, The Prophet, is back in Innis and stoking the embers of bigotry and superstition, scouring the realm and imprisoning mind gifted Aurels. When he corners Isobel, will she fight back or succumb to her old fears and lingering scars of the Beast of Monaughty? Will she answer the call of a healer if it costs her everything she loves?

Far across the sea, Tobias Buchanan is racing against time to build New Rhynn as a haven for his clan. As the noose of oppression squeezes tighter in Innis, the Hawks may soon be forced to choose between their homeland and their way of life. Can he earn a place for his Hawks amongst the Este of Tallu? Can

he prove Rhynns are worthy of their trust?

Meanwhile, the Este are discovering their own place in the Awakening and the Joining. Spirit runners grow more powerful by the year, and the Mists hover closer over Tallu. But will it be enough when the water rises? Will they be ready before the cycle ends?

Path of the Spirit Runner is the enthralling continuation of the Rootstock Saga. Evolution and oppression. Magical mindgifts and dragon science. The characters you loved in Legend of the Storm Hawks come of age and weave their own threads in the Patterns.

Path of the Spirit Runner will be available for purchase in print and ebook formats upon its release.

About the Author:

L.H. Leonard writes epic fantasy because she prefers imaginary worlds to dysfunctional real ones. She's been a technologist (computer geek and manager thereof) in the financial and media industries for most of her career, and sidelines as micro-publisher Each Voice Publishing. When getting paid doesn't matter, she's an animal rescuer, artist, almost-master gardener, and a surprisingly good cook.

She and her husband live happily ever after in Georgia, where their forever home is a short trek from the Chattahoochee River through woods filled with deer, coyotes, owls, the occasional bear, and of course, hawks.

Their progeny are creative individualists, the eldest of whom has given them a small tribe of grandchildren. They're the real Children of Promise.
