New York City, Mar 2, 2020 ([Issuewire.com](https://www.issuewire.com)) - Well-versed and trusted chiropractor, Dr. Rosenberg, diagnoses and treats patients at South Shore Spinal Care with offices in Oceanside, New York, and Clifton, New Jersey. He and his staff offer state-of-the-art chiropractic care for the treatment of stress, back pain, neck pain, extremity pain, and scoliosis. Spinal decompression and manipulation under

anesthesia are offered in addition to comprehensive chiropractic consultations.

With expertise covering the use of wellness care and chiropractic adjustments to help alleviate patients' pain and suffering, Dr. Rosenberg earned his Doctor of Chiropractic degree from New York Chiropractic College. He then went on to complete his postdoctoral training at Life University in Marietta, Georgia before embarking on his professional journey.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the musculoskeletal system, especially the spine. A chiropractor uses spinal adjustments, manipulation, and other techniques to manage patients' health concerns, including neck pain and back pain. They aim to improve patients' functionality and quality of life by properly aligning the body's musculoskeletal structure and enabling the body to heal itself without the use of medication or surgery.
