

## IAMGIFT3D Releases His New Single “Can’t Sleep”

Produced by NICKVEEZEE from The Baka Boyz

Los Angeles, Mar 31, 2020 ([IssueWire.com](http://IssueWire.com)) - Baka Boyz Media/Empire recording artist IAMGIFT3D announced today's release of the new single *Can't Sleep* produced by the Baka Boyz' own NICKVEEZEE. With a creation of sound that teeters on the edge of sexy and eerie, IAMGIFT3D brings out the depth of his songwriting and vocal ability. The track follows with a slate of A-list collaborations across several genres for IAMGIFT3D, including Vali, W-inds, and Ras Kass.

“We’re often haunted by the very love we seek. I wanted the single to capture the moment passion morphs into pain, delight into darkness, and beauty into a beast, ” said IAMGIFT3D.

Las Vegas Music Awards Rising Star Award winner Gifted Johnson, who goes by the pseudonym IAMGIFT3D, is one of the music industry’s best-kept secrets. Reminiscent of some of the greatest crooners of our time, IAMGIFT3D’s melodic, multi-octave voice is hypnotic and incomparable. As an accomplished and versatile singer, songwriter, producer and musician, IAMGIFT3D has commanded audiences both nationally and globally by gracing the stage with performers such as Ne-Yo, Miguel, Common Kings, Brian McKnight, Cherish, D4L, Ray J, Bobby V, Marques Houston and Jon B. and many others.

“This single is a special one for me, we created a timeless theme every man and woman can relate to. So grateful for the unbelievable feedback from the music industry,” said NICKVEEZEE.

Producer/DJ NICKVEEZEE, is widely recognized as a tastemaker and curator of great music. The Baka Boyz, brothers Eric and Nick V, are now in their 20th year of running two internationally syndicated mix shows. In addition to being radio royalty, the Baka Boyz produced the West Coast anthem “Pistol Grip Pump,” which was covered by Rage Against the Machine.
