

Jackson Hewitt NJ Locations Announce Remote Tax Preparation

Paterson, Mar 18, 2020 ([IssueWire.com](https://www.IssueWire.com)) - TDM Services Inc., an independent Franchisee of Jackson Hewitt Tax Service Inc. ("Jackson Hewitt"), announced today that it will provide remote tax preparation at its 10 NJ locations based in Paterson, Clifton, Paramus, Rutherford, Totowa and Rockaway amid the COVID-19 outbreak.

"During this time, we need to be extra cautious of not only our staff but our clients as well. By temporarily providing remote tax preparation at our locations we can do our part in helping reduce the spread of COVID-19. Clients can also drop off their tax information or send it to us via our secure transmission channels," said Thomas (Tom) Depasquale, Franchise Owner. "That, along with cleaning door handles and desks prior to a client coming into a location, remains a high priority."

In addition to remote tax preparation, all 10 NJ locations will be offering free tax preparation to last year's AARP and VITA clients to help those with no access to open locations at this time. Tom adds, "Our availability to everyone in need of tax preparation remains strong."

To make a remote or in-office appointment, call 973-837-9600 extension 421.
