Get to know Oral and Maxillofacial Surgeon Dr. Jeffrey Moffett, who serves patients in Riverview, Florida.

New York City, Mar 10, 2020 ([IssueWire.com](https://www.issuewire.com)) - Recognized as a top oral and maxillofacial surgeon, Dr. Moffett is the owner and operator of Moffett Oral Surgery & Dental Implant Center in Riverview, Florida. There, he practices a full scope of oral and maxillofacial surgery with expertise ranging from corrective jaw surgery to wisdom tooth removal. He also performs a full range of dental implant and bone grafting procedures.

Born and raised in Florida, Dr. Moffett attended Stetson University, where he earned a Bachelor of Science degree in Biology. He was subsequently accepted to The University of Florida's College of Dentistry, which is recognized as one of the premier dental schools in the United States. He graduated in 1999, earning a Doctor of Medicine in Dentistry degree.

For his training, he completed his surgical residency in oral and maxillofacial surgery at The University of Miami/Jackson Memorial Hospital in 2004. At the University of Miami, he worked closely with many of the country's most highly respected doctors in his field, including the internationally renowned Dr. Robert Marx. During his residency, he received extensive training in craniofacial trauma, tumor and reconstructive surgery, dentoalveolar surgery, and dental implantology.

Utilizing the most advanced techniques and the latest innovations in the field of oral and maxillofacial surgery in order to provide the highest standard of care to his patients, Dr. Moffett is an active member in several dental societies, including the American Association of Oral and Maxillofacial Surgeons, the Florida Society of Oral and Maxillofacial Surgeons, and the National Dental Board of Anesthesiology.

Oral and maxillofacial surgery specializes in surgery of the face, mouth, and jaws. It is an internationally recognized surgical specialty. Oral and maxillofacial surgeons are dental specialists who treat conditions, defects, injuries, and esthetic aspects of the mouth, teeth, jaws, and face. Their training involves a four-year graduate degree in dentistry and the completion of a minimum four-year hospital surgical residency program.

On a more personal note, Dr. Moffett and his wife have made Tampa Bay their home since moving to the area in 2005.
