

Jubilee Group launches Jubilee Walk a luxury property in Chandigarh

Chandigarh, Mar 13, 2020 ([Issuewire.com](https://www.issuewire.com)) - Jubilee Group has unveiled its new commercial project Jubilee Walk in Mohali. Developed to provide the signature retail and office suites, this property is one of the most stylish commercial properties in the city. The glitzy property is very well linked with all the important social and commercial places of importance of the city.

Spread over 2.02 acres of land, [Jubilee Walk Mohali](#) offers wonderfully crafted retail and office suites and the prices of the spaces are available on request. The business complex offers buyers with all the latest facilities and services needed for carrying on a business venture successfully.

Jubilee Walk Chandigarh is well-linked to all the major city places through a developed transportation network thus allowing its users to reach all the major destinations of the city quickly and easily. Situated at Sector 70 Airport Road, the project has all the major public service and entertainment zones in the vicinity.

This graceful property provides the ideal space to start up a business or carry forward the already started business. Here buyers can open up shops, showrooms, food courts and set up office suites. The swanky property is also full of features and amenities including a swimming pool, gym, food court, car parking, conference room, restaurant, and 24 hours security.
