

MA based Casper Funeral & Cremation Services Launches Innovative Funeral Smartphone App

Casper Funeral & Cremation Services takes cremation services mobile with new, downloadable smartphone software application program.

Boston, Mar 13, 2020 (Issuewire.com) - Massachusetts-based [Casper Funeral and Cremation Services](#) is pleased to announce the launch of its first-of-its-kind smartphone cremation services app – *Casper Cremation* – which provides hospice professionals, social workers, clergy, and families fingertip access to required Massachusetts funeral and cremation forms, information about the funeral service’s \$1,395 [cremation service](#) with no extra charges offering, access to inspirational and educational [Death Perception® podcast](#) episodes, and a cremation FAQ document to help client families. In addition, the app allows emailing, printing, and sharing of necessary cremation information.

The innovative app is available for **free download** on both Apple and Android devices, including phones, and tablets.

Download the free *Casper Cremation* app now:

- [Casper Cremation App for Apple iPhones – iPads – iTunes App Store](#)
- [Casper Cremation App for Android Phones – Tablets – Google Play Store](#)

The *Casper Cremation* app was developed by the Casper team in direct response to hospice, social worker, and clergy requests.

“Creating and launching this unique, one-of-a-kind application is our way of helping caregiver providing useful resources to families faced with the loss of a loved one,” said Casper Funeral Director Dave

Casper. “We listened to the feedback from end-of-life caregivers and have delivered what we feel is a meaningful option that can significantly lessen the stress families feel during their time of need. We are happy the funeral service’s app is being so well received by individuals, families, and professional caregivers and providers. They are finding it convenient, comprehensive, and informative.”
