Addiction psychiatry is a medical subspecialty within psychiatry that focuses on the evaluation, diagnosis, and treatment of people who are suffering from one or more disorders related to addiction. This may include disorders involving legal and illegal drugs, gambling, sex, food, and other impulse control disorders. Psychiatrists who are trained in addiction are in a unique position to identify concurrent psychiatric and substance use problems in patients seeking treatment for either or both conditions.

In addition to English, Dr. Scimeca speaks Spanish and Italian.
