

Natasha Jane Julian gives a soul-stirring pop performance in her latest creation 'Summertime Sadness'

California pop singer Natasha Jane Julian gains havoc recognition with her soulful blend of voice and equally mesmerizing songwriting in song 'Summertime Sadness'.

California City, Dec 31, 1969 (Issuewire.com) - **NatashaJane Julian** positively rolls into 2020 with more energy than ever. The California native singer has a lush voice which she explores beautifully in her soundtracks. The artist nurtures a strong passion for moody yet melodic music and decorates her songs with the most entrancing and sensual pop vibes. Moreover, the lyrical content of all her songs

is so enveloping that rightfully hooks the listener all to the end. With her mesmerizing voice, the [California pop singer](#) exposes the hole in a beautiful and sometimes amazingly haunting manner.

Her latest single '[SummertimeSadness](#)' is a song about searching for love so true that it is worth waiting for. It's quite hypnotic how the soulful singer puts her all in to sing the words so emotionally. The song is sensual and fun, as it leads with a melancholy instrumental set up to reach the listener's heart. Sonically the sing is fully effective as **Natasha Jane Julian** sings softly over mesmerizing rhythms and chords, and a minimalistic drumbeat with additionally gauzy synths to deliver her silky smooth voice that remains perfectly blended into a mix that is drop top smooth with an edge.

Having released her EP ANGEL in 2019 with winning producer Dom Morley, the artist has received immense appreciation from music lovers globally for her beautiful and captivating voice. Her latest song '**Summertime Sadness**' blends elements of pop, rock, soul, and soul-stirring trip-hop sound to push all kinds of emotional boundaries. The artist has a sound that never fails to strike hard with its vulnerability as she successfully creates a moody yet inspirational ambiance through her music. The singer is fully excited to share her latest creations with her huge audience base which can now be heard on Soundcloud and YouTube. Also, follow her on Facebook, Instagram, and Twitter for more information related to her upcoming projects.
