

Norma R. Fox, RN, Registered Nurse with Inova Fairfax Hospital

Get to know Registered Nurse Norma R. Fox, who serves patients in Fairfax County, Virginia.

New York City, Apr 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - Norma is a registered nurse who works at Inova Fairfax Hospital. Located in Fairfax County, Virginia, Inova Fairfax Hospital is the largest hospital in Northern Virginia, the flagship hospital of Inova Health System, as well as one of the largest employers in the County. Inova's mission is "to provide world-class healthcare – every time, every touch – to each person in every community we have the privilege to serve."

Back in 1971, Norma earned her nursing degree from Mount Vernon School of Nursing in Mount Vernon, New York. With years of experience in the field of nursing, she attributes her success to her love of helping others/patients through difficult times, her passion for women's health, she strives to make a difference, as well as her enjoyment in the challenges of nursing.

For the purpose of staying up to date in her field, she remains a member of several professional organizations, including the American Nurses Association and the Association of periOperative Registered Nurses.

A registered nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.
