Port Orchard, Mar 3, 2020 (Issuewire.com) - Across the United States, vital arts, music, and sports programs are being cut annually due to growing budgetary constraints. Today's youth are missing out on valuable opportunities to expand their knowledge and diversify their interests, as well as the chance to have a little fun! Port Orchard Ford wants to keep these opportunities available for South Kitsap High School students.

Port Orchard Ford is bringing Ford Motor Company's **Drive 4 UR School** program to the Port Orchard community in an effort to raise up to a maximum donation of \$6,000 for South Kitsap High School. For every person who test-drives a new Ford vehicle at Port Orchard Ford on Saturday, March 7th, 2020, Ford Motor Company will donate \$20 to South Kitsap High School's Track & Field Team.

"We know funding for school programs is hard to come by, and we want to do our part to help make sure these programs remain available," said Shane Wood, General Manager at Port Orchard Ford. "We're excited to raise money for South Kitsap High School."

The event, which will be held from 9 am to 6 pm, will feature many vehicles from Ford's impressive lineup. "Whether you are looking to test out our vehicles or want to try out technology features, like active park assist in the Escape, we will be able to put you behind the wheel of your favorite Ford vehicle," said Wood. Dealership staff on-site will be able to assist and provide additional information regarding any of the Ford vehicles available for a test-drive.

To date, Ford Dealerships across the United States have helped raise more than \$40 million for local schools and nonprofits, thanks to their hard work and working with the Drive 4 UR School and Drive 4 UR Community programs.

To participate in this exciting event and test-drive your favorite Ford vehicle, please visit Port Orchard Ford between 9 am and 6 pm on Saturday, March 7th, 2020.
