Atlanta, Mar 16, 2020 (Issuewire.com) - Author Susan Carlisle is pleased to announce the release of her contemporary romance novel, *Cornerstone of Love*. Scheduled for release on March 17, 2020, the book is already receiving rave reviews from readers and reviewers.

Ian Chalmers's dream life didn't include becoming the Earl of Hartley or the CEO of Hartley International Shipping, but he obediently accepted the responsibilities when his father and older brother are killed. Duty to the Hartley title and business reputation becomes his all-consuming focus. Ian's world revolves around unending work and doing what's expected of him. Then a nerve-wracking, albeit completely fascinating, the free-spirited female enters his structured life and turns it upside down.

Allison Moore is the American constructional engineer hired to direct the repairs on Hartley castle. Despite their instant attraction, Allison doesn't appreciate Ian's high-handed control of everything in his sphere of influence. Still, she's determined to placate the vexing 'master of the castle' in order to get the job done, bringing her another step closer to achieving her life's goal of having a home of her own. Her strategy is complicated then frustrated when Ian's kisses prove so delicious her treacherous heart undermines her immunity to his charm.

With the project almost complete and their sizzling interlude ending, Ian and Allison must decide what they want most in life. Is it possible they've each been laboring towards the wrong goals? Could what they have with each other be the cornerstone of true love?
