

T3Terminal is First-Ever TYPO3 Marketplace launched with Pro & Free TYPO3 Extensions and TYPO3 Templates

T3Terminal, a one-stop destination for rich TYPO3 website builder TYPO3 SaaS, TYPO3 Extensions and TYPO3 Templates.

Bhavnagar, Mar 20, 2020 ([Issuewire.com](https://www.issuewire.com)) - [NITSAN Technologies](https://www.nitsan.com), a TYPO3 certified agency launched a [TYPO3 Marketplace](https://www.t3terminal.com) named [T3Terminal](https://www.t3terminal.com), a one-stop destination for rich [TYPO3 Extensions](https://www.t3terminal.com) and [TYPO3 Templates](https://www.t3terminal.com). This is definitely a big and contributory step taken by them to pay back to the TYPO3 community. T3Terminal aims to help in better sharing, caring and earning for the TYPO3 community by making all TYPO3 resources available.

[T3Terminal](https://www.t3terminal.com) is conceptualized for excellent TYPO3 B2B and B2C opportunities for TYPO3 business and TYPO3 website owners. T3Terminal focuses on TYPO3 vendors and the TYPO3 buyer concept. TYPO3 developers or agencies will have a special platform to showcase their TYPO3 Templates and TYPO3 Extensions and new opportunities to boost building and selling more TYPO3 resources online. It has an 80-20 ratio on selling a TYPO3 build. The vendor gets 80% from each sale.

Whereas buyers will have access to a range of high-quality TYPO3 templates and extensions, specifically built for the specific platform, making it even easier to create a branded website that is tailored to their business. Ultimately resulting in a fruitful TYPO3 ecosystem.

Currently, T3Terminal holds professional TYPO3 Extensions, TYPO3 Templates and dedicated TYPO3 SaaS services. It is a TYPO3 Marketplace worth visiting.
