

Timothy Jeider, MD, a Child and Adolescent Psychiatrist in private practice

Get to know Child and Adolescent Psychiatrist Dr. Timothy Jeider, who serves patients in Las Vegas, Nevada.

New York City, Mar 31, 2020 ([IssueWire.com](https://www.issuewire.com)) - Recognized as a 2020 top child and adolescent psychiatrist, Dr. Jeider provides quality care to patients at his private practice, Nevada Mental Health, in Las Vegas, Nevada. Being a physician who cares, his compassionate nature is the driving motivator to developing individually tailored treatment plans that fit each patient's specific needs.

“Your healing needs are a top priority. There is a proud commitment to provide a high-quality level of customer service, medical experience, and attentiveness to health and wellness to all patients. The goal is to make you feel better as quickly as possible.” as stated on his website.

A 2013 graduate of the Loma Linda University School of Medicine, Dr. Jeider went on to complete his residency in general psychiatry at Our Lady of the Lake Hospital in Baton Rouge, Louisiana through Louisiana State University. From there, he relocated to Las Vegas, where he completed his fellowship in child & adolescent psychiatry at the University of Nevada, Las Vegas (UNLV) School of Medicine.

During his time at UNLV, he served as the Fellowship’s Chief Fellow. Since completing his training, he has been serving the Las Vegas community in a number of roles, including serving patients at Nevada Mental Health. Additionally, among his current collaborations, he remains affiliated with Healthy Minds, the UNLV School of Medicine Child and Adolescent Psychiatry Fellowship, the Department of Psychiatry and Behavioral Health at the UNLV School of Medicine, the Clark County Children’s Mental Health Consortium, and the Nevada Partnership Counsel for Integrated Care.

The doctor is board-certified in general psychiatry and child & adolescent psychiatry by the American Board of Psychiatry and Neurology, which is a not-for-profit corporation dedicated to promoting high-quality patient care for the public through the initial and continuing certification of psychiatrists and neurologists. He is also a member of the Nevada Psychiatric Association, the American Psychiatric Association, and the American Academy of Child and Adolescent Psychiatry.

Child & adolescent psychiatry, also known as pediatric psychiatry, is a branch of psychiatry that focuses on the diagnosis, treatment, and prevention of mental disorders in children, adolescents, and their families. A child & adolescent psychiatrist is a physician who specializes in the diagnosis and treatment of disorders of thinking, feeling, as well as behavior affecting children, adolescents, and their families.
