Up and coming artist "SSR R" breaks the internet with his new music

Los Angeles, Mar 13, 2020 (<u>Issuewire.com</u>) - From the state of Illinois, 18-year-old up and coming rapper SSR R has been making a name for himself recently dropping many songs such as his well-known track "Fuck Feelings" (found below)

The rapper says his songs are an expression of how he feels, his personal experiences, and interactions with people. He continued in our interview saying "sometimes people relate to me sometimes they don't, either way, I'm going to continue to push and be myself I know that it will pay off and I will be at the top one day" with that being said stay on the lookout for SSR R and his future advances into the music industry. The link to his media's can be found below
