skills.

Virtuoso School of Music and Art also offers private lessons to help students start the lessons as per their conveniences. The experienced teachers devote their time to teach every student in accordance with his/her learning skills and interests.

The school has flexible schedules for private lessons available every week for 30 min., 45 min., or 1-hr durations.

The students can develop the following skills by taking guitar lessons at Virtuoso School of Music and Art:

- How to read notes and cords
- How to play acoustic, electric and bass guitar
- Self-confidence
- Learn how to sing in tune with guitar

In addition to the guitar lessons, the school also offers other music lessons to help children to explore and hone their skills. [Drum lessons in Charlotte, NC](#) is one of the most desirable classes amongst the parents. It helps their kids in many ways as they develop a sense of self-discipline, excel in their academic performance, build up their self-confidence, and many more. Above all, the environment at the school plays a crucial role in inspiring the kids to explore their potential. Deborah, one of many parents, who enrolled her kid at Virtuoso School of Music and Art, shares her experience and describes how her son started taking piano lessons when he was 5 years old.

“My son began taking piano from Svetlana when he was 5 years old and I could not be happier. I think highly of her classical teaching style, placing importance on reading music and learning theory. She is warm, intelligent, and encouraging. Similarly, Virtuoso school of music and art feels like a home away from home - the perfect environment to relax, enjoy, and learn.” Says Deborah Y.
