

**We've created Oak Words for aspiring writers who want to know how to become a bestselling author.**

**Delhi, Mar 10, 2020 ([Issuewire.com](https://www.issuewire.com))** - Writing and publishing a book is a dream for many. When you're writing a book for the first time, you need actionable, step-by-step guide that walks you through everything.

How do you write a story, and more importantly, how do you write one that's great? Lucky for you, OakWords has all the answers.

Learning how to write a book has become incredibly easy. You browse the web for novel writing tips, research your arguments, put hours in the chair, find the editor, self-publish, and sell the book on amazon.

Easy-breezy, right? But the question is, how many of these self-published books make it big? How do you write a book that sells? How do you stop asking your friends if they've brought your book yet, and why they're not following you on twitter?

We've created Oak Words for aspiring writers who want to know how to become a bestselling author. We strive to work as a powerhouse for young writers and bring forth to them the know-how of becoming a best-selling author. To know more visit <http://oakwords.com/about-how-to-become-an-author/>
