

# YJF's Aha! Biryani Sets up policies & practices to deal with Covid-19

From Vessel to Customer all food is now packed & shipped in Anti Contamination Environment

**kolkata, Mar 15, 2020 ([Issuewire.com](https://www.issuewire.com))** - Kolkata based India's first PAN India Ethnic QSR Chain Aha! Biryani has stepped up its fight against Covid-19 with Industries' first Anti Contamination Vessel to Table Approach.

Juli Paul- CEO - Cloud & Dark Kitchen & Aha! Stories (The Cart Company of Aha) during her interaction with the members of the Food industry and Press said," With the recent outbreak of Coronavirus across various parts of the world, and in India, Aha! Biryani is taking all necessary steps to ensure the safety of our customers. We are educating our staff on the best practices of personal hygiene, the proper method of hand washing plus sanitizing as well as what to do in case they have any symptoms related to Coronavirus." Adding further she said," Each member of the team is now monitored for symptoms and are not allowed to participate in any gatherings. Except otherwise its an emergency they are advised not to use Public Transport till March 31st. The staff quarters are sanitized in full & each staff is advised to use the quarters till March 31st."

Commenting further Amit Mishra, Director- Franchising said, "Currently mask and gloves are used in the stores to ensure minimum contact with the food when its served or packed for delivery. This week we have introduced safe packaging (heat sealed) to reduce any chances of contamination during the delivery process. We will be also packing instructions in every package for customers to understand our processes and finding useful resources to deal with the pandemic."

Bijay Laha the Groups Head of YJF Administration added, "We are now sanitizing all our properties in regular intervals. We will continue to execute the best practices around food handling and packaging

with our staff and partners."

Rana Dutta, CEO - Growth, Retail and Planning also urged the public that, " Kindly do not spread rumor and only verify the authenticity of any news & remedies and cure from Government and Authorized sources."

The company is working along with various partners to engage in the community level to spread awareness about Corononavirus and also engaging in educating the vendors and partners in its Safe Policies.
