New York City, Apr 30, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Morgan is a skilled chiropractic physician who provides superb chiropractic physical medicine results, with a personal touch and clinical excellence, at ACMS in Marine City, Michigan. He takes a “whole person” approach in chiropractic care, which means that he looks for the underlying causes of disease, discomfort, pain and chronic conditions.

His patients have excellent things to say about him, one stating “I was impressed by the prompt service I received at Dr. Morgan’s office. I have received very effective treatment that has made me feel like myself again. I continue my care here because health and wellness are a very important part of my life.”

With a strong educational background, Dr. Morgan earned his Doctor of Chiropractic degree from Logan University College of Chiropractic in Chesterfield, Missouri in 2012. He then went on to complete a hospital externship at the Brain and Neuro-Spine Clinic of Cape Girardeau, Missouri, and a multi-disciplinary clinical internship with the Detroit Lions. He holds a Bachelor of Science degree in Biology, a BS degree in Life Science, and a Master’s degree in Sports Science and Sports Rehabilitation.

“I regularly attend and teach continuing education classes to ensure that I stay current and provide you with the highest level of care available.” as stated by the doctor. He has completed advanced certification in Graston Technique, Active Release Technique, Myofascial release, Kinesio Taping Method, and Functional and Kinetic Treatment with Rehab.

Specializing in sports medicine, Dr. Morgan is an Internationally Certified Chiropractic Sports Practitioner (ICCSSP), which is a postdoctoral professional certification, granted by the International Federation of Sports Chiropractic (FICS), through an association with Murdoch University. In addition, he is a Certified Youth Strength and Conditioning Specialist and an Adjunct Clinician with Logan University Systems.

Among his professional affiliations, he is a member of the American Chiropractic Association, the Michigan Association of Chiropractic, and the American Medical Athletic Association.

Chiropractic is a form of alternative medicine that mainly deals with the diagnosis and treatment of mechanical disorders of the neuromusculoskeletal system, especially the spine. A chiropractic physician uses chiropractic physical medicine, spinal adjustments, manipulation, and other techniques to manage patients’ health concerns, including neuropathy, frozen shoulder, bone on bone knee, neck and back pain. They aim to improve patients’ functionality and quality of life by properly aligning the body’s neuromusculoskeletal structure and enabling the body to heal itself without the use of medication or surgery.

Recognized as an expert in his field, Dr. Morgan is the author of numerous articles pertaining to the diagnosis and treatment of auto-related personal injuries. His other publications include Morgan, E (2014) The Healthy Alternative, Why Chiropractic Care is the Safest and Most Effective Way to Restore and Maintain Optimal Health Naturally.

Understanding the needs of the community and working to ensure that this area and the youth will have a bright future, Dr. Morgan has served as a volunteer team physician with Port Huron Northern & Marine City High Schools. He has also conducted several public service presentations.
