

Aaron Beri – Just Wanna Love You

New Single and Lyric Video

Los Angeles, Apr 21, 2020 (Issuewire.com) - On-the-rise Australian Pop artist, Aaron Beri, has released his first of two singles produced by Grammy nominee, Brandon “Blue” Hamilton. Blue, best recognized for his production and writing roles in multiple Justin Bieber albums, has teamed up with the Sydney-based Beri to create sultry, smooth upbeat pop sounds. Beri’s career path from top model to recording artist seems to be working well for a singer as his first single, “Just Wanna Love You” has made its way to more than 30 Spotify Playlists within two weeks of its Valentine’s Day release.

The Lyric Video for “Just Wanna Love You” is released as of 4/20 on Vevo. [Watch Video](#)
