

Adani Atelier Greens offers ready to move apartments in Pune

Pune, Apr 24, 2020 ([IssueWire.com](https://www.issuewire.com)) - Adani Realty has been delivering homes for a long time now, thus earning an impressive reputation. They are among the top real estate developers in India and their projects are known to be examples of artistic craftsmanship. If you are looking for a beautiful home in Pune ready for possession, [Adani Atelier Greens](#) is a complex you should definitely check out. Offering 2 BHK, 2.5 BHK, 3 BHK and 4.5 BHK flats at prices starting from INR 1.45 crore, this is a sophisticated residential project in Koregaon Park, a prime suburb of Pune.

- **The design:** Spread across 3.5 acres, the complex includes 6 residential towers that stand majestically with their beautiful façade and eye-catching architecture. The apartments are similarly elegant and classy, with plush interiors. The balconies are quite spacious and their smart positioning ensures great views of the gardens.
- **Greenery:** Koregaon Park is well-known for its clean environment and ample greenery. The region comes with plenty of parks where one can relax and children can grow up playing in the midst of nature. The complex of Adani Atelier Greens Pune further enhances this ambience with the lush green landscaped gardens with always and amenity spaces among them. Decorated with vertical gardens, the towers look even more beautiful and provide the residents with a constant supply of fresh air.
- **Amenities:** Lifestyle amenities such as yoga, spa, salon, swimming pool, gym, jacuzzi and more would help you lead a relaxed and healthy lifestyle. With a kids' playing area, a clubhouse, sports amenities and outdoor sitting area for the elderly, this complex offers recreation for residents of all age groups. The residents can also enjoy plenty of civic amenities in the locality as the infrastructure is well-developed.

Enjoying the lifestyle in [Adani Atelier Greens](#) Koregaon Park is an opportunity you shouldn't miss and it is recommended to book your home soon due to rising land rates.
